Foreplay is really important to me. Gotta have foreplay before you get assplay. I can't just jump right into sex. I have to be warmed up. If you wanna be my guy, expect at least an hour of good heavy duty foreplay, Lick my pussy for a while. Lick my asshole a little longer. Then use your fingers before sticking your cock into me. Let me suck your cock and lick your balls. I'd love to lick your ass, too. Just be sure you're man enough to last, and last, and last. If you can't manage that, then maybe your brother can!

how important is foreplay?

BLAIR-NTS-03

PLEASE: TAKE MY WIFE

I've been married to Chelsea for two years. We met sophomore year in college. She's now 23 and I'm 25, and while there have been rough patches, mostly it's been great. In college, we would have mini-orgies with roommates and frat and sorority friends. Usually no more than four of us, switching partners but always going home together. When we actually married, all that changed... monogamy was the word. Then things slowly changed.

I took a job blogging for a major lifestyle website and one of my assignments was to discuss wife/partner swapping. Initially I drew from my own experience and then sought others who had done it, or were doing it, to write my blog. I wrote that in college times were a little more liberal, as were we. Sexual experimentation was not unusual for college-age people, but tended to get more conservative as they got older. One night, my wife started reading my last blog over my shoulder and after I finished, she handed me a cold beer and said she liked the article and it made her wonder what it would be like now. We laughed and discussed various fantasy scenarios, but that quickly became a bit more serious of a discussion.

He was more than game to fuck my wife so we started to make plans. I spoke to my wife about it and she was game. I would video the affair and use it for reference in my blog.

She said she loved me to death, but often wondered what another man would be like at this point in her life. She didn't want to split, but she also was wondering what another cock was like. I told her I thought that too, but for pussy, not cock, and we laughed again. By the time we finished the second glass, we decided that she could have sex with another guy, if I could have sex with his woman. But only if the other was there and either being sexually involved or watching. We agreed that my friend Jeremy would be a good candidate for our tryst. But he was single, she said. I said that was okay as long as I got me some pussy afterwards. So we devised a plan and put it into motion.

As my friend, Jeremy, and I started talking I brought up the idea with him. I wasn't too sure how he would react but was surprised when he agreed. He was more than game to fuck my wife so we started to make plans. I spoke to my wife about it and she was game. We made plans a couple of times but something always seemed to come up. Finally we had a real plan. I would video the affair and use it for reference in my blog.

Jeremy met at a local bar and we all had a few drinks and talked about our plans for the next day. Finally, it looked like it was going to work out. After a few more drinks, we were all getting tired and headed home. When we got there I knew my buddy would be more than game for the opportunity but I wasn't sure if my wife would follow through with it. We all had a shower and then took advantage of the situation. Jeremy and I had talked about me video taping them together and he had no problem with it. I got out the video camera and got ready for the show. It all started in the living room.

My wife came out of our bedroom dressed in one of my shirts. I grabbed the camera took my place on a chair nearby and started filming. Jeremy moved in behind her and started kissing her neck and rubbing her body through her shirt. He started playing with her breasts through the shirt then lifted it up and began to move his hands all over her body. Next he slid his hands down and started rubbing her pussy. He was playing with her clit and she reached around behind her and started stroking his cock. After a few minutes of this she turned around dropped to her knees and started sucking his cock. Blowjobs are one of her specialties and something I always looked forward to.

He pulled her off his cock, stood her up and gave her a long kiss, then laid her down on the sofa. He started by kissing her then moved down to her breasts, and then to her pussy. He ate her wet pussy like a pro and she was wiggling on the floor in pleasure. I suggested that they take a break and move things to the bedroom where I could video with the camera plugged in since the battery just died. They composed themselves and got up. We all moved to the bedroom and while I was hooking up the camera, my wife crawled on the bed and Jeremy climbed on right after her. They settled near the headboard waiting for me and she started fluffing him by stroking his cock back to stiffness. I managed to get the camera going again and they started again.

Jeremy was rock hard again and wasted no time kissing her and sticking his fingers in her pussy. He pulled his fingers out of her pussy and started playing with her clit. After a few minutes of this she started moaning loudly and I knew she was ready to fuck. He then rolled over, pulled up her legs and positioned himself in front of her pussy and got ready to enter her. My heart picked up the pace as we had been waiting a long time for this again and it was about to happen. I had a good view from where I was sitting and could see him place the head of his cock at the entrance of her pussy. She looked at me just when he slid his cock into her pussy. I kept my eye in the viewfinder and gave her a big thumbs up and huge grin. He lifted her legs up pushing them against her chest and began to fuck her slowly. The sight of these two fucking on the bed in front of me was amazing. I had to start to rubbing myself.

Then Jeremy grabbed her legs and pulled them up over his head lifting her ass up off the bed and started fucking her harder. I thought he was getting ready to cum but he just kept drilling it into her. She started

They composed themselves and got up. We all moved to the bedroom and while I was hooking up the camera, my wife crawled on the bed and Jeremy climbed on right after her.

moaning loudly and was encouraging him to cum. She grabbed him by the ass and pulled him deeper into her pussy. I could see he was getting ready to cum so then he grabbed her, rolled the both of them backwards on the bed and told her to ride him. She was on top of him and started to rock back and forth slowly at first and then really picked up the pace. My wife started riding him harder and harder. She fucked his cock hard and started moaning loudly grinding her pussy onto his cock and suddenly stopped.

She got off him and positioned herself face down on the bed with her ass in the air. Jeremy had not cum yet so he grabbed her hips and jammed his cock hard into her from behind. He started fucking her harder. He grabbed her hips pulling them back against him hard and drove his cock into her. He picked up the pace and fucked her hard, she was moaning loudly again and I could tell she was getting ready to cum. It was a position and sounds that led to many of her climaxes with me. Now they were another man.

Just when I thought he was going to blow his load again, he stopped then laid back on the bed and then pulled her back onto him into the sixty-nine position and started licking her. She then reached down and grabbed his cock and started sucking it. They stayed in that position for quite awhile when Jeremy got up and repositioned her on her knees again. He got behind her again, lifted her ass up in the air and placed her head down on the bed. He grabbed her by the hips and entered her slowly. He started fucking her slow and easy for awhile and then started to pick up the pace. She started to rock her pussy back into him. I knew from personal experience that it would not take long for him to cum once she started doing that.

He slammed her hips into him and pounded her even harder. He thrusted in and out of her pussy like that and she was now moaning louder and louder. She was driving her hips onto his cock when he grabbed her ass pulled it into him, grunted loudly and then filled her pussy with cum. As he was filling her pussy she rocked back and forth, as well as up and down milking every last drop of cum from his cock. He held her ass tight until his cock was empty and then pulled out of her.

She had milked him completely. He had filled her full and it was running out of her. She laid over on the bed and he leaned over kissed on the side of her ass. Realizing that she hadn't cum yet, I put down the video camera and jumped into bed with them. She rolled on top of me, and slid her cum filled pussy onto my throbbing cock. She bobbed her ass up and down on me squishing the cum out of her and onto me. I slipped my hand between her legs and rubbed her clit, bringing her closer to climax. I slipped a slippery finger between her buttcheeks and found her anus. I played around back there, swirling my fingers around and slowly inserted one into her butthole. She slowed down for a minute and pushed back against my finger pushing it deeper into her ass. Once she felt right, she bobbed up and down on my until she came, gushing her love juices all over us. I felt her body tense, explode and ultimately relax.

Jeremy gave us a mock applause and we all laughed. My wife slid in between us guys and we all dozed off into a deep sleep. The next morning we were awakened by her hands stroking each of our cocks. In minutes we were hard and she replaced her hands with her mouth. Jeremy said he had never been awakened that way before. It was amazing, he said. Yes, it was.

getting wet at the gym

I was at the gym last weekend after a late night work out and no one in the men's locker room, I decided to shower there. After only ten minutes I heard someone walk in and he got in the shower stall across from me. There aren't any curtains between stalls, just dividing walls between showers. He noticed me and I turned my front toward him so everything was in clear view. He came over and bent me down to suck his dick. I took it all in and he came all over me. Then he left so I could finish my shower.

HER FANTASY CUMS TRUE

I watched Nina slip into a soft pink teddy she had just bought for our weekend adventure. It had lace layered over the bra area that continued down to the crotch where the back panel met in the middle of her cleanly shaven mound where it snapped closed.

She knew how much I loved to finger her pussy just before going down on her and pulling them open with my teeth. The pink material made her tan look darker and her blue eyes were made even bluer by it. She turned her back to me and reached down to slowly snap the teddy shut. When she was finished, she leaned down to retrieve the wet towel she had dropped after her bath, pausing for effect giving me a little show. The cloth rode high up on her hips and slid between her butt cheeks. She stood up, pulling the flimsy material out of her crack, catching my eyes in the mirror. I smiled back at her and she smiled, brushing past me just hard enough to make me shudder with expectation.

I followed her like a panting puppy to the kitchen. I sat at the counter and I watched her open the refrigerator door and bend down to get a plate of fruit. I just sat there enjoying the moment, sipping wine. I poured her a glass. I reached over and kissed her first with a peck and then she opened her mouth offering her tongue probing now demanding as she put her hands behind my head pulling me to her. I could feel the passion in her mouth. Then she pulls away slowly, lingering her lips on mine, asking me in a whisper if I was sure I could handle it? I reassured myself and her that I could. I asked if she was ready, too. She said she was nervous but she was ready for two or three cocks at once. She had been wanting to do this ever since I met her, and that was over fifteen years ago. With that I led her back to our living room where the sofa was awaiting us. We stood in the middle of the room and engaged ourselves a slow, deep kiss. By now it was midnight and I gently laid Nina down on the sofa and began to work my way down to the growing wet spot on her new teddy. She was laying across the sofa with her head hanging off one overstuffed arm and her legs spread wide. I slowly kissed my way up her thighs nibbling just below her swollen pussy lips, brushing her clit with my lips and then kissing down the other side. She was looking up at me, lifting her ass up off the sofa inviting me to come and open those snaps, which I, of course, will oblige.

Just then, the doorbell rang. Nina quickly got up and disappeared back into the house. I collected myself and went to the door. It was Kaarl and Jason, right

on time. I didn't turn the porch light on, but rather the inside light in the foyer and opened the door. We had met several days before when Nina and I were looking for her fantasy men. Of course I had to approve also. We wanted unattached men that would have no explaining to do to their wives. I invited them in and we sat in the living room and reintroduced each other to me. They were both younger than me. Kaarl was older, probably late thirties and Jason seemed to be in his mid-thirties. We had found them through a local online swingers magazine. The two did not know each other, but on a second meeting, we all got together and shared lunch and got to know each other better. Nina approved. Now, I was a little intimidated but was warming to the idea of watching my wife get fucked by the three of us.

Nina entered the living room and all eyed focused on her. She had put on a short, matching pink see-through robe, thigh length pink stockings and six-inch heels. She walked out to the middle of the room as both guys stood to greet her. A short hug to each and Nina told them to strip. I moved a couple of the living room chairs closer together. After they undressed, Nina handed each a glass of wine. As they each thanked her, she bent over and gave each of their cocks a squeeze.

She pointed to the chairs and the guys took their seats. She came back over to me and I gave her a huge hug. With that I caressed her butt as we engaged in a long deep kiss. I made it a point to ignore the audience and was focused on pushing her to a shimmering orgasm as she anticipated the two younger cocks throbbing in expectation of what was ahead. I laid her down again on the sofa facing her next conquests. Using my teeth, I pulled the snaps of her teddy. The thin fabric sprung away revealing it's hidden treasure. Bald and shimmering in her light sweat, I plunged tongue first into her fresh wet pussy. I love eating her pussy as she is so responsive during the moment just before orgasm. She was working her top down below her boobs, nipples standing rigid. Reaching down, she runs her fingers through my hair as she lifts her butt off the sofa to meet my fingers and lapping tongue. She closed her thighs around my face rising once more thrashing in the ecstasy of having a pussy clenching orgasm.

I pulled Nina up and took off her teddy and placed one of the sofa's pillows under her, elevating her hips and pussy into a perfect position for a hard fuck. I entered her quickly and deeply knowing what she liked best. When she cums, she wants a hard fast pounding. I was ready for the job as I thrust in hard, pulling back slowly only to rush forward once again. I shoved my hard cock in one final time as she wrapped her legs around my waist digging in with her heels screaming. We closed with a passionate kiss as Kaarl and Jason looked on ready to take over. I went to the kitchen and got my glass of wine. When I returned, Nina was looking over at the two cocks standing at attention with what can only be described as hunger lust. She took control telling Jason to come over to the sofa and Kaarl to come fuck her from behind as she's fellating Jason.

I sat back and watched the scene unfold in front of me. Nina was using the arm of the sofa to lean on her forearms for balance as she tried to swallow it. Kaarl stuck his throbbing member in her pussy and was doing a slow methodical fuck holding her hips and fol-

lowing her head bobbing movements of Kaarl' cock. After a few minutes of the blow job, she pulled away from Kaarl and pushed Jason onto the sofa, never losing his cock inside her. She looked over her shoulder with a sheepish grin and offered her ass to Kaarl.

I handed him a bottle of lube and he doused his cock and her ass crack with it. Jason did not complain as he now took one nipple in his mouth and the other in his right hand. Kaarl rubbed the lube into her crack and inserted a finger then two into her anus to be sure she was ready. Kaarl bent his knees and lowered himself so his cock was at the right height. Slowly he entered her ass as she clutched Jason harder. Pushing himself all the way in Kaarl hesitated for a moment so she could relax her sphincter. When the time was right, he began to thrust his eight inches in and out of her butt. The two men fell into an in-and-out rhythm as Nina took the full force of the double cocks.

I decided now was the time to fill all her holes. I walk over behind the sofa and climb up on the backrest. Jason slouches to one side and I sit on it and open my legs, straddling over Jason and offering my cock to Nina. She reaches out and grabs my cock, stroking it feverishly as the two studs continue pounding her. She leans a little more forward and takes my hard on into her mouth. She doesn't have to work her mouth up and down on it. The rhythm of the dp is doing all the work, pushing her forward and back. By now Nina was in ecstasy. Her body was tense and filled with three hard cocks.

Then, as if on cue, Jason came first; Kaarl pounded her ass and filled it with his cum as I climaxed a huge load into her mouth. Nina came just as I did and in screaming out her orgasm, my splooge spilled out of her mouth and onto Jason's chest. We three melded together at maximum penetration holding on for the last wave of orgasm as Nina tightened her sex muscles squeezing the semen out of every hole.

We stayed there for a moment, a collapsed mass of sweating burning flesh, slumped on the sofa and floor. With careful ease, we disengaged from her holes. Kaarl first from the back, then me climbing off the sofa and finally Nina stood up getting off of Jason. Nina put her hands over her pussy and ass to keep the semen from running out. She smiled and tip-toed out of the room to clean herself up. I excused myself for a moment and returned with warm hand towels and offered them to the two men and they wiped themselves off.

Nina came back out for a moment, peeked her head into the living room and thanked everyone for a wonderful time. Kaarl and Jason thanked her in return and got dressed. They asked to sit for a moment to have a glass of water. We talked about the last couple hours for several minutes and then they got up to go. Out the door and into the mist of the night. With them now gone, I locked the door and turned out the lights. I headed back into the dark house, back to the bedroom and into the waiting arms of my beautiful, sexy, and yes, still horny wife. Her fantasy became reality, and now she wants more.

they brought the right tools

The plumbers have just shown up. They are ready to check Sabrina's pipes and fix any leak she may have. Once they get a peek at what she needs, they bring out their tools. They argue about payment – and how hot Sabrina is. They say that if she had less or no clothes, on then they maybe could give her a big discount.

two will go nicely into me

I love to give head and get analyzed. Even though it's really for the guys, I like to pretend that I'm doing it for me and that really gets them off. But either way, I don't think they really care who likes it more as long as they get off on it. While I like girls and having sex with them, my body wants cocks that I can lose my sex in.
